Steps for Submitting Manuscripts

Step 1: Create an account for correspondence. Please open the F6Publishing page (<https://www.f6publishing.com/Forms/Main/Login.aspx>) and click 'Corresponding Author Register' to provide the corresponding author's Personal Information and Institution-Related Information. When the complete information has been typed in, please click the Submit button, and the system will automatically send you a user name and password *via* e-mail.

Note: All authors' ORCID numbers need to be submitted when creating an account for correspondence. To obtain an ORCID number, please visit: <https://orcid.org/>.

Step 2: Login to F6Publishing. After receipt of the user name and password for the corresponding author, please login to F6Publishing by clicking 'Author Login'. After login, click 'Start New Submission' and find the Manuscript General Information zone, in which the corresponding author should fill in the information for the fields of Journal, Manuscript Title, Country of Manuscript Source, Manuscript Source, Invited Manuscript ID, Funding Agency and Grant Number, Manuscript Scope, Specialty, Manuscript Type, Abstract, Keywords, Core Tip, and Cover Letter. After information in all fields is completed, click either 'Save & Continue' or 'Skip & Continue'. If you want to modify the information at this step, please click 'Go Back'.

Note: In the F6Publishing system, the * denotes Required Fields.

Step 3: All author list. The corresponding author submits the information for all authors in an order based on their contributions to the manuscript. Co-first authors and co-corresponding authors are not allowed. Personal Information and Institution-Related Information should be submitted for each author. The corresponding author should ensure that all information provided for the Institution-Related Information and Correspondence To fields is correct.

Note: Please check the box in front of 'Is Corresponding Author' to confirm and formally attest to the corresponding author status for the person providing the information.

Step 4: Upload manuscript and relevant files. Click the radio button (left screen) for the file type you will upload. Then, select the corresponding file(s) you will upload by clicking the 'Browse' button (right screen) and choosing the file from your computer system. The file(s) you have selected for uploading will appear in the 'Uploaded Files' box. The file uploading will be initiated by clicking the 'Submit' button (right screen). All tables and images (figures) MUST be EMBEDDED in the manuscript file; there is not a separate submission step for the tables and figures.

After the manuscript and related documents are uploaded, click the 'Submit' button to submit all documents. Once the documents are submitted, no further changes are allowed.

After the submission, all authors will receive an e-mail notification of receipt of the manuscript. If authors have not received the manuscript receipt or if they encountered technical problems when uploading the manuscript, please contact the F6Publishing team *via* the Help Desk (<https://www.f6publishing.com/Helpdesk>) or by sending an e-mail to submission@wjgnet.com.

In addition, the ethics and relevant document(s) required for the different manuscript types are described below:

approval document(s), and CrossCheck detection report along with the manuscript upon publication.

Many journals published by the BPG are indexed in Science Citation Index Expanded (Web of Science), Current Contents/Clinical Medicine, Journal Citation Reports, Index Medicus, MEDLINE, PubMed, PubMed Central, and Scopus.

All BPG journals process manuscripts using the self-developed F6Publishing system, which is a modern publishing system that integrates the functions of online peer review, manuscript production, manuscript release, and the management of highly influential experts, editorial board members, invited manuscripts, publishing fee, and production fee.
